A vibrant, multi-layered illustration serves as the background for the movie poster. It depicts a fantastical scene where various Disney characters and creatures are dancing and celebrating. In the upper left, a blue, ethereal figure floats. To the right, a large, dark, winged creature looms. The central and lower portions are filled with a dense crowd of characters, including Mickey Mouse, Minnie Mouse, and numerous other Disney figures, all in various poses of dance and joy. The overall color palette is rich and varied, with a dark blue background that makes the colorful characters stand out.
